CHARACTERISTICS OF GEM

CHARACTERISTICS OF THE GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Mr. Wong confirmed that there is no wrongful act on his part leading to the above dissolution of the company and he is not aware of any actual or potential claim that has been or will be made against him as a result of the dissolution of the company.

Mr. Wong entered into a letter of appointment with the Company. A letter of appointment is for an initial term of one year commencing from 17 June 2016 and shall continue thereafter until terminated by either party by giving not less than three months' prior notice in writing at any time after such initial fixed term to the other. Pursuant to the independent non-executive director's appointment letter, Mr. Wong is entitled to an annual director's fee of HK\$240,000. Mr. Wong is subject to retirement by rotation and re-election at the AGM in accordance with the Articles of Association. His emolument was determined by the Board by reference to his experience, responsibilities and duties within the Company and shall be reviewed annually by the Remuneration Committee.

As at the Latest Practicable Date, Mr. Wong did not have any interest or short position in the Share, underlying Shares or debentures of the Company or its associated corporations within the meaning of Part XV of the SFO.

Save as disclosed above, Mr. Wong has not held any other directorships in any listed public company in the past three years nor has he held any other position within the Group.

Save as disclosed above, Mr. Wong does not have any relationship with any Directors, senior management of the Company, substantial shareholders or controlling shareholders of the Company.

This appendix serves as an explanatory statement, as required by Rule 13.08 of the GEM Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the AGM authorizing the Repurchase Mandate.

The GEM Listing Rules permit companies whose primary listing on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

1. SHAREHOLDERS' APPROVAL

All proposed repurchase of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by the shareholders by an ordinary resolution, either by way of a general mandate or by a specific approval.

2. REPURCHASE OF SECURITIES FROM CORE CONNECTED PERSONS

Under the GEM Listing Rules, the Company is prohibited from knowingly purchasing Shares on the Stock Exchange from a core connected person.

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, no core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,000,000 Shares. Subject to the passing of the proposed ordinary resolution for the approval of the Repurchase Mandate, and assuming that no further Shares are issued and no Shares are repurchased and cancelled after the Latest Practicable Date and up to the date of the AGM of passing such resolution, the Directors would be authorised to repurchase up to a maximum of 80,000,000 Shares, representing 10% of the total number of the issued Shares as at the date of passing the relevant resolution. The Repurchase Mandate will end on the earliest of (i) the conclusion of the next annual general meeting; (ii) the expiration of the period within which the next annual general meeting is required to be held by the Articles of Association or any applicable laws of the Cayman Islands; or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

4. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

5. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's funds legally available in accordance with the law of the Cayman Islands and the memorandum and articles of association of the Company for such purpose.

6. IMPACT ON WORKING CAPITAL OR GEARING POSITION

An exercise of the Repurchase Mandate in full would not have a material adverse impact on the working capital or gearing position of the Company when compared with that as at 31 December 2016, being the date of its latest published audited consolidated financial statements. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company, which in the opinion of the Directors is from time to time appropriate for the Company.

7. SHARE PRICES

The highest and lowest market prices at which the Shares had been traded on the GEM since the Listing Date and up to the Latest Practicable Date were as follows:

Month	Traded Price (HK\$)	
	Highest	Lowest
2016		
July (since 6 July 2016, being the Listing Date)	5.900	1.110
August	6.060	2.200
September	2.800	1.790
October	1.920	0.445
November	0.710	0.475
December	0.650	0.475
2017		
January	0.510	0.415
February	0.650	0.410
March (up to and including the Latest Practicable Date)	0.650	0.510

8. DIRECTORS AND THEIR CLOSE ASSOCIATES

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any of the Shares if the Repurchase Mandate is approved at the AGM.

9. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands.

10. EFFECT OF TAKEOVERS CODE

If, as a result of the repurchase of the Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increases will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following shareholders had interests representing 5% or more of the issued share capital of the Company:

Name of shareholders	Number of Shares held	Nature of interest	Approximate percentage of total issued Shares

Notes:

- (1) The entire issued share capital of RLDC Investment is legally and beneficially owned by Mr. Lee as to 50% and Mr. Chin as to 50%. Accordingly, Mr. Lee and Mr. Chin are deemed to be interested in all Shares held by RLDC Investment by virtue of the SFO.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, the Directors are not aware of any consequences of such repurchases of Shares that would result in any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rules 26 and 32 of the Takeovers Code if the Repurchase Mandate was exercised in full.

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

11. SHARES REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) since the Listing Date up to the Latest Practicable Date.
